PROCLAMATION

TO THE SECRETARY OF STATE:

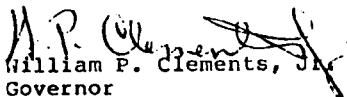

Pursuant to Article IV, Section 14 of the Texas Constitution, I hereby veto House Bill 942 for the following reasons:

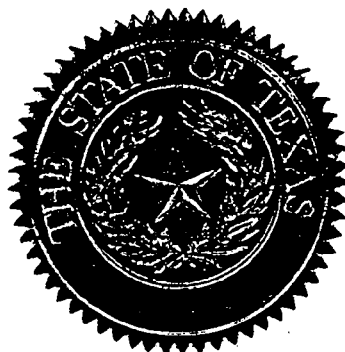

This bill was part of a two bill package of legislation to continue the present revenue stream to help finance state government. To have one without the other serves no useful purpose, particularly since the bill that did not pass (House Bill 941) would have been the most beneficial to general revenue.

It is my intention to have the legislature consider both bills in a special session that I will call this summer. The legislature must pass both bills to adequately insure a revenue stream that will insure the fiscal integrity of the state for the coming two years. To adopt half a package does nothing to insure the fiscal integrity of the state.

For the foregoing reasons I hereby veto House Bill 942, filing it with you and ask you, the Secretary of State, to take note of this and make public this proclamation.

Respectfully submitted,

  
William P. Clements, Jr.  
Governor
